**The Book:**

Can you scan 800 barcodes an hour?

Can you smile and say 'thanks' 500 times a day?

Do you never need to go to the toilet?

Then working at a supermarket checkout could be just the job for you.

Anna Sam spent 8 years as a checkout girl. *Checkout - A Life on the Tills* is a witty look at what it's really like to work in a supermarket: the relentless grind and less-than-perfect working conditions, along with people-watching and encounters with every kind of customer from the bizarre to the downright rude.

Sam's story has won her fans all over Europe, turning *Checkout - A Life on the Tills* into a huge international bestseller, published in 10 languages.

'Compelling reading' **Daily Telegraph**

'Ignored, abused and underpaid, the unsung heroines of the food chain are suddenly in the spotlight thanks to French till tapper Anna Sam.' **The Sun**
