## **Monsieur de Montespan** **Jean Teulé**

(translated by Alison Anderson)

The Marquis de Montespan and his new wife, Athénaïs, are a true love-match - a rarity amongst the nobility of seventeenth-century France.

But love is not enough to maintain their hedonistic lifestyle, and the couple soon face huge debts. When Madame de Montespan is offered the chance to become lady-in-waiting to the Queen at Versailles, she seizes this opportunity to turn their fortunes round.

Too late, Montespan discovers that his ravishing wife has caught the eye of King Louis XIV. As everyone congratulates him on his new status of cuckold by royal appointment, the Marquis is broken-hearted. He vows to wreak revenge on the monarch and win back his adored Marquise.

With this extraordinary novel, Jean Teulé has restored a ridiculed figure from history to the rightful position of hero, by telling the hilarious, bawdy and touching story of a good man who loved too well and dared challenge the absolute power of the Sun King himself.

**The Author:**

Jean Teulé lives in Marais with his companion, the French film actress Miou-Miou. An illustrator, filmmaker and television presenter, he is also the prize winning author of ten books.

**Praise for Monsieur de Montespan:**

'Teulé recreates with gusto the bizarre social mores of the nobility at that time: appalling, dirty and wicked...' **L'Express**

'Jean Teulé reveals the very particular skills of a nobleman who sets out on a quest to contest the legitimacy of the divine right of kings long before the Revolution... An exhilarating novel.' **Figaro Littéraire**

'An unrestrained, nightmarish, hilarious, and moving portrait of the *Grand Siècle's* underside' **Elle**

'Dazzling' **Le Point**

'A magnificent novel' **Paris Match**
